Matthew Goncalves Da Silva

Profile

A versatile and creative professional with over five years of experience across technology, design, and creative industries, combining strong communication and IT skills with a keen attention to detail and excellent organizational abilities. I'm organized and reliable, and I can handle any administrative tasks that come my way.

With a proactive approach, patience, and reliability, I excel in dynamic environments that demand mental focus and analytical approach to problem solving. Passionate about innovation and growth, I am eager to contribute to a forward-thinking team where I can leverage my multidisciplinary skills to create meaningful, impactful solutions while continuing to learn and grow.

Experience

ASSISTANT MANGER, HANDCROSS HARDWARE AND CRAFT: HANDCROSS, UK – 2025 - PRESENT

Managing back office tasks, managing the POS system setups, creating promotional campaigns and working on the store's websites. I also support the manager and the employees/volunteers and make sure community events hosted by the store go through smoothly
